| Product description           | For the horizontal separation of compartments. In combination with the side walls, creates a form separation in accordance with Forms 1 to 4. It is fastened to the compartment side wall or to the enclosure section. The integrated cut-outs with pre-punched knock-out options are used for the vertical routing of control lines or cable ducts and for the routing of distribution busbars or connection kits. |
| Material                      | Carbon steel, 1.5 mm                                                                                                                                                                                                                                                                                                                                                                                                |
| Surface finish                | Zinc-plated                                                                                                                                                                                                                                                                                                                                                                                                         |
| Supply includes               | Assembly components                                                                                                                                                                                                                                                                                                                                                                                                 |
| Mounting tip                  | For assembling compartments as internal Form separation, compartment side panels are required.                                                                                                                                                                                                                                                                                                                      |
| Dimensions                    | Width: 711 mm<br>Depth: 780 mm<br>Width: 28 "<br>Depth: 30.7 "                                                                                                                                                                                                                                                                                                                                                      |
