| Model No.                           | SV 9682.184                                                                                                                                                                                                                                                                                                                                                                                                               |
| Product description                 | Suitable for VX enclosures instead of a door or rear panel. The partial doors can be combined with each other. A front trim panel is required at the top and bottom. Door may be optionally hinged on the right or left. Installation of the SZ 2305.000 monitor frame is possible in doors without a viewing window (height 600–1,000 mm). The standard double-bit lock insert may be exchanged for Type A lock inserts. |
| Material                            | Carbon steel, 2 mm                                                                                                                                                                                                                                                                                                                                                                                                        |
| Surface finish                      | Textured paint                                                                                                                                                                                                                                                                                                                                                                                                            |
