

► Model PM22C RGB

Panel Mount 22mm Multifunctional Audible/Visual Multicolor LED Combination

Model PM22C RGB is a steady, multicolor panel mount LED and piezoelectric sounder combination. The model offers seven color options combined with a continuous tone, within the same unit.

Model PM22C RGB is available in 24VDC and two electrical connection options: M12 Cable Gland with 12" (300 mm) leads or M12 4-Pin Quick Connect (-Q). It is panel mounted through a 22 mm/0.87" hole and secured with the provided locking ring.

The PM22 Series offers a self-extinguishing polycarbonate body that protects against vibrations, dust and other atmospheric elements.
