Description: GATE-C2 CANOPEN GATEWAY

UPC No 7320500410653

Home > Machine Safety > Programmable Safety Controllers

Gateway for 2-way communication between the Pluto bus and CANopen. With the use of a Gateway device, Pluto can communicate with other control systems and thereby form a part of a larger network. The unit has a common interface with Pluto, i.e. the same cabling and the Pluto Manager software can be used for servicing and where necessary programming.

Descriptors

Category	Programmable Safety Controllers
----------	---------------------------------

Specifications

Supply Voltage	24VDC
Product Main Type	Gateway
With Safety Bus	Yes
Safe Outputs	N/A
Safe inputs/non-failsafe outputs/safe analog inputs	N/A
Product Class	Safety Programmable Logic Controllers
Degree of Protection	IP20

Classifications

ETIM 4	EC001099 - System interface/media gateway for bus system
ETIM 5.0	EC001099 - System interface/media gateway for bus system
ETIM 6.0	EC001099 - System interface/media gateway for bus system
ETIM 7	EC001099 - System interface/media gateway for bus system
ETIM 8 (Etim8)	EC001099 - System interface/media gateway for bus system

Dimensions

Product Net Depth / Length	119 mm
Product Net Height	101 mm
Product Net Width	23 mm
Product Net Weight	0.12kg

Safety Information

Performance Level	N/A
