

Actual

**Catalog Number:** **TPS080808**  
**Product ID:** 7TCA298010R0795  
**EAN Number:** 05020963022272  
**Status:** Active

Hinged Conduit Joiner, T-Shape, Conduit Size A: NC08/NW7.5, Size B: NC08/NW7.5, Size C: NC08/NW7.5, Operating Temperature -40 to 120 Degrees Celsius, RoHS Compliant, IP40 Rating, Very High UV Protection, Polyamide (Nylon), Black

#### North American Specifications (UNSPSC)

|                  |                                                                                                       |
|------------------|-------------------------------------------------------------------------------------------------------|
| UNSPSC           | 39131717 Electrical conduit elbow                                                                     |
| IGCC             | 5746 Electrical conduit elbow                                                                         |
| Brand Name       | Harnessflex                                                                                           |
| Type             | T-Shaped Hinged Conduit Joiner                                                                        |
| Special Features | One-Piece External Design for Unrestricted Bore and Quick Assembly with No Tools                      |
| Application      | Designed to Snap Together Over All Types of Slit and Unslit Conduit, Maintaining Maximum Conduit Bore |
| Standard         | RoHS, Conforms with End of Life Vehicle Directive (ELV) EU200/53/EC                                   |
| Material         | Polyamide/Nylon                                                                                       |
| Color            | Black                                                                                                 |
| Size             | Conduit Sizes A: NC08/NW7.5, B: NC08/NW7.5, C: NC08/NW7.5                                             |
| Flexibility      | None                                                                                                  |
| Connection       | T-Shape                                                                                               |

#### European Specifications (ETIM)

|                           |                                               |
|---------------------------|-----------------------------------------------|
| ETIM                      | EC001172 Coupler for corrugated plastic hoses |
| Material                  | Plastic                                       |
| Material quality          | Polyamide (PA)                                |
| Operating temperature     | -40-+120°C                                    |
| Degree of protection (IP) | IP40                                          |
| Model                     | T-piece                                       |
| Nominal size              | 8-8mm                                         |
| Colour                    | Black                                         |

#### Packaging

|                           |                  |
|---------------------------|------------------|
| Outer Quantity            | 1000             |
| Outer Dimensions (inches) | 7x13x15          |
| Weight Uom                | 0.9 lbs. per 100 |

#### Header

|          |                      |
