

## EKJ-415

By Killark  
Catalog # **EKJ-415**

1-1/4" Flexible Coupling with 15" Bend Length, Bronze.

\*Representative Image

### Features

- Bronze flexible metal construction
- An inner liner of asphaltum impregnated jute fibre tubing to protect conductors
- Female ends with removable zinc plated steel nipples standard on all couplings
- Union type couplings may be assembled by adding a GUF Series union to the nipple
- Special lengths available-consult factory

### Application

For use in hazardous areas where movement or vibration requires a flexible connection or a difficult bend is required in a conduit system.

### General
