G Series - Standard Size Momentary/Maintained Head Lockout
For Use With GOM1/GOM21/GOMI/GO1/GO21/GOL1 Series Push
Buttons

Features

- Operators are all aluminum except for certain movable parts which are stainless steel.
- All other parts such as screws are either stainless steel or plated steel.
- Threaded bodies are all 3/4"-14 NPSM thread.
- Control stations can be grouped into a single assembly thus reducing installation time and cost.

Application

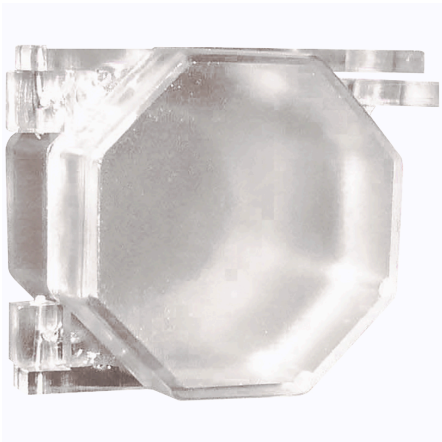

For use with G Series custom control panel operators.
