

UNF150 - Hazardous Location Union - Zinc Plated Steel - 1-1/2" Female/Female

By Killark
Catalog # UNF150

Hazardous Location Union - Zinc Plated Steel - 1-1/2"
Female/Female

Features

- Unique design offers a compact size for lighter weight and smaller profile for critical clearances with equipment
- Extruded bar stock construction provides superior threads over sand cast and provides twice the tensile strength
- Uniform design across all sizes for aesthetic and robust appeal
- Male to Female union has nonremovable nipple to ensure tight seal with union and pipe/equipment
- Made in the USA
