

# Product data sheet

Specifications

Illuminated push-button, Harmony 9001SK, plastic, plastic guard flush, green, 30mm, spring return, LED green, 110-120V, 1 C/O

9001SK1L1LGGH13

**Product availability:** Non-Stock - Not normally stocked in distribution facility

## Main

|                                 |                         |
|---------------------------------|-------------------------|
| Range of Product                | Harmony 9001SK          |
| Product or Component Type       | Illuminated push-button |
| Device short name               | 9001SK                  |
| Operator additional information | Plastic guard           |

## Complementary

|                               |                          |
|-------------------------------|--------------------------|
| Bezel material                | Plastic                  |
| Mounting diameter             | 1.2 in (30 mm)           |
| Contacts type and composition | 1 C/O                    |
| Contact operation             | Standard                 |
| Mechanical durability         | 5000000 cycles           |
| Device presentation           | Complete product         |
| Cap/operator or lens colour   | Green                    |
| [Us] rated supply voltage     | 110...120 V              |
| Light block supply            | Via integral transformer |
| Light source colour           | Green                    |
| Operator profile              | Flush                    |
| Type of operator              | Spring return            |
| Supply frequency              | 50...60 Hz               |
| Size                          | 30 mm                    |
| Bulb base                     | BA 9s                    |
| Light source                  | LED                      |

## Environment

|                           |                                                                                             |
|---------------------------|---------------------------------------------------------------------------------------------|
| Standards                 | IEC 60947-1<br>IEC 60947-5-4<br>JIS C 852<br>IEC 60947-5-1<br>CSA C22.2 No 14<br>JIS C 4520 |
| IP Degree of Protection   | IP65/IP66                                                                                   |
| NEMA degree of protection | NEMA 3R/4X/13                                                                               |
