Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	This current transformer, standard for busbar, has a line rated current of 2400 A and a secondary current rating of 5 A. This current transformer do have a 146 mm x 63 mm opening. Compliant with the safety / standard UL2808.
Product reference	METSECTSP5A4240U
Additional similar product references	METSECTSP5A4240U METSECTSP5A4080U METSECTSP5A4120U METSECTSP5A4160U METSECTSP5A4200U
Total representative product mass	1214.6 g
Representative product dimensions	206.25 mm x 124.71mm x 29.46 mm
Date of information release	12/11/2025

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
Recyclability potential	67% The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECYLAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
