

Product End of Life Instructions

HDPM6000: Expanded Input Module - Model EIM

Potential disassembly risks

⚠ CAUTION

HAZARD OF PARTS WITH SHARP EDGES

Apply appropriate personal protective equipment (PPE) during disassembly.
Failure to follow these instructions can result in injury.

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Electronic Board (Communication) > 10cm²	36	Including all soldering parts

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	Optional expansion module compatible with PowerLogic HDPM6000 devices that provides additional digital inputs.
Product reference	METSEHDPM6DI
Total representative product mass	813 g
Representative product dimensions	103mm x 157mm x 58mm
Date of information release	10/17/2025

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
Recyclability potential	70% The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY[®]LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
