

Breaker BQD 3P 80A 480V AC 14kA BULK PK

General technical data	
number of poles	3
suitability for operation	CONSTRUCTION
Electricity	
continuous current rated value	80 A
Environmental conditions	
ambient temperature during operation maximum	40 °C
Model	
product brand name	Siemens
special product feature	BULK PACK/PANELBOARD MOUNT
Mechanical Design	
depth [in]	7 in
design of the overload release	THERMAL MAGNETIC TRIP UNIT
design of the product	BQD
height [in]	5.6 in
material of the enclosure	MOLDED CASE CIRCUIT BREAKER
width [in]	4 in
General product approval	
standard	UL 489
