MFG Model Number
QOC42US

- Indoor, surface mount replacement electrical panel cover
- Compatible with Square D QO single-phase 200 Amp 42-space and 225 Amp 40 and 42-space load centers
- UL listed and ANSI Certified

The diagram features a central image of the grey electrical panel cover. Three green circular callouts with icons point to the text: a door icon for the first feature, a panel icon for the second, and a checkmark icon for the third. At the bottom right, there is a small illustration of a house with a lightbulb and a plug icon.
