N4 Single Door Freestanding 3-Point Handle 72X36X24 Carbon Steel - Gray

## Features

- Designed to protect electrical and electronic controls, components and instruments in typical industrial environments
- Enclosure protects enclosed equipment from dust, dirt, oil and dripping water
- These enclosures are used in machine tool applications for housing motor starters, drivers, contactors, PLC's, as well as a wide variety of other electrical and electronic equipment found in automotive, pulp and paper, wood products, textile and similar industries.

## Application

Designed to house electrical and electronic controls, terminals, and instruments in areas that are regularly hosed down or are otherwise very wet. Enclosures are also suitable for outdoor applications.
